**Training on Online admission process**

S.N.D.T. Women's University has developed an online admission procedure for all the academic courses. Each year slight changes in the procedures are made to improve its performance and minimize any lacunae. In academic year 2018-2019 also, some changes were in this process were made and conveyed by the university. To make these changes familiar to the academic staff, especially to the members of the admission committee, a training program on Online admission process for the academic year 2018-2019 was organized and conducted by the Computer department of the college on July, 19<sup>th</sup>, 2018.

The training program started with a brief introduction of the Online admission process as developed by the university. The whole process was explained in detail with the help of LCD projector. The details of the each step and tab were presented to the participants. Demonstration of how to register a students on the admission web portal, filling up of the personal information, academic details, photo and signature uploading, editing, selection of subjects semester-wise, document attachments, selection of college code, center code, submission of admission form, taking its printouts and finally how to transfer a student for admission were well explained. Changes made by the university were also explained.

This training session proved to be useful for all the participant members of the admission committee as they have to complete the admission process for all the students getting admission to first, second or third year of B.Sc. Home Science course.

The training program was conducted by Dr. Surve R.N. as per the suggestions given by the IQAC of the college. The program was guided and supported by all the faculty members of the college.

**Workshop on Creating a Moodle cloud Site**

A Workshop on Creating a Moodle cloud Site for teaching faculty of the college to assist the use of modern ICT techniques was organized on January 1<sup>st</sup>, 2019 by Department of Food Science and Nutrition.

Teaching staff of the college participated in this workshop. Participants were guided and demonstrated to create their own website on Moodle cloud. Various features provided by the Moodle cloud such as uploading educational videos, PowerPoint presentations, sharing study material, composing quizzes, student enrollment etc. were shown to the participants. They were also guided through a stepwise procedure to create cloud website and use it for students.

Dr. Bhosale B.S. from Food Science and Nutrition department was a resource person for the workshop.

This workshop was organized under the noble guidance and support from Dr. Surve R.N., the Incharge Principal of college.

**Training on S.N.D.T. Web Portal**

S.N.D.T. Women's University makes the necessary changes in its web portal every year to modify various processes regarding admissions, examinations, data capturing and retrieval and many more other aspects. To understand, learn and get acquainted with such changes, it becomes necessary to train all the respective staff members in this regard.

A special training program was organized by the college admission committee for all teaching staff on July 8<sup>th</sup> and non-teaching staff members on July 9<sup>th</sup>, 2019 in association with department of computers.

In this training program, participants had a hands-on training on the use of different sections created by the university on its web portal. Web portal was divided into different sections according to the applications to be done. These sections were explained to the participants. Login process, OTP generation, use of various tabs available in the login section and other relevant activities were shown to them online with the use of computer and internet connectivity.

Participants were given some assignments to complete. Queries were resolved immediately and a practice session was also carried out.

This training was useful to all the participants as they have to perform these activities as per the need of their assigned work.

Prof. Ghadge A.B. from department of Science was a resource person for this program.

This training program was organized under the noble guidance and support from Dr. Surve R.N., the Incharge Principal of college.

## ONLINE WORKSHOP ON MS-OFFICE EXCEL: FOR COMPUTING AND ANALYSING FOR NON-TEACHING STAFF

An online workshop was conducted by Department of Science on MS-Office Excel for Computing and Analysing on 24/09/2021 at 08.30 pm.

A Google Meet online platform was used for conduction of this workshop.

Mr. Ghadge A. B., Asst. Proff., Science Department organised this workshop under the guidance of Internal Quality Assurance Cell of the college.

Four members of the non-teaching staff participated in this workshop. Four teaching staff members were also present for this online workshop.

Mr. Ghadge explained the details of Microsoft Excel with online demonstrations. Emphasis was given to the use of spread sheets for computing. Basics such as Cell formatting, cell addressing, insertion of mathematical formulae in the cells, creation of graphs and analysis of the data were explained. Participants were asked to perform the assignments on the tools explained in the workshop

Mr. Koli V. A., Head Clerk, and Mr. Jadhav M.P., Junior Clerk of the college expressed their opinion on the workshop and also asked some queries regarding the topic.

Dr. Bhosale Bharati S., I.Q.A.C. Co-ordinator, elaborated the significance of the use of Excel in routine administrative work of non-teaching staff of the college.

This online workshop was organised under the noble guidance of Dr. Surve Rahul N., Principal of the college.
