Tree Plantation 2017

TREE PLANTATION

‘Tree Plantation Week’

announced by State Government of Maharashtra

During 1st to 7th July, 2017

Shikshan Prasarak Mandal’s

Smt. Ratnaprabhadevi Mohite Patil College of Home Science for Women, Akluj

affiliated to

S.N.D.T. Wome’s University, Mumbai

conducted the event of TREE PLANTATION on 7th July, 2017.

This plantation was made successful by student volunteers of National Service Scheme of the college.

The event was a grand success only due to the permission and co-operation by the Principal Dr. Surve R.N. who also made the necessary financial assistance to the N.S.S. Dept.

Ms. Nimborkar R.R., Program Officer of N.S.S. Cell made the necessary arrangement to make this event come true.

All the teaching and non-teaching staff of the college actively participated in the event.

As per the circular of the State Govt. of Maharashtra, plantlets were obtained from the Forest Department of Malshiras Tehsil.

50 plantlets were purchased from the Govt. Nursery located at Khudus tal- Malshiras.

Plantlets selected were of Tamarind, Karanj and Shisav. These plants are well adapted to the local climate and also grow vigorously.

The area selected for the plantation was the inner side of the compound wall of the Ratnai Mahila Sankul behind the college building.

Volunteers dug the drenches for plantation. Insecticide Thiamate was applied to the drenches and the plantlets were planted accordingly.

Immediately after plantation, plants were watered so that no loss would occur.

Volunteers were divided into groups and plantlets were distributed among them to take care of.

Tree Plantation

Tree plantation activity was carried out in the college campus on 30 July 2018 by the NSS department. 50 trees were planted in the college campus area by the NSS volunteers. Dr. Surve R.N. In charge Principal, Mr. Kore K. K. Physical Director, Prof. Ghadge A.B., Nimbhorkar R.R. NSS PO and all the teaching and non- teaching staff were present for the programme.

Tree Plantation

Tree Plantation

Paper Bag Making activity

Poster Presentation on environment issues

The Poster Presentation activity was conducted on 29th August, 2016 in which students collected various news- paper cutting related to environmental issues from different newspapers and prepared the posters there of.

The news from local to global levels were chosen and they were pasted to make the posters artistically.

These posters were arranged in the form of exhibits for the students of second and third year and also to the junior college students of Jijamata Kanya Prashala.

The activity was conducted by Prof. Ghadge A.B. OF Science department. Nearly 36 students from F. Y. B. Sc. Class participated in this poster making and presentation activity.

The activity was supported and appreciated by all the teaching and non-teaching staff of the college.

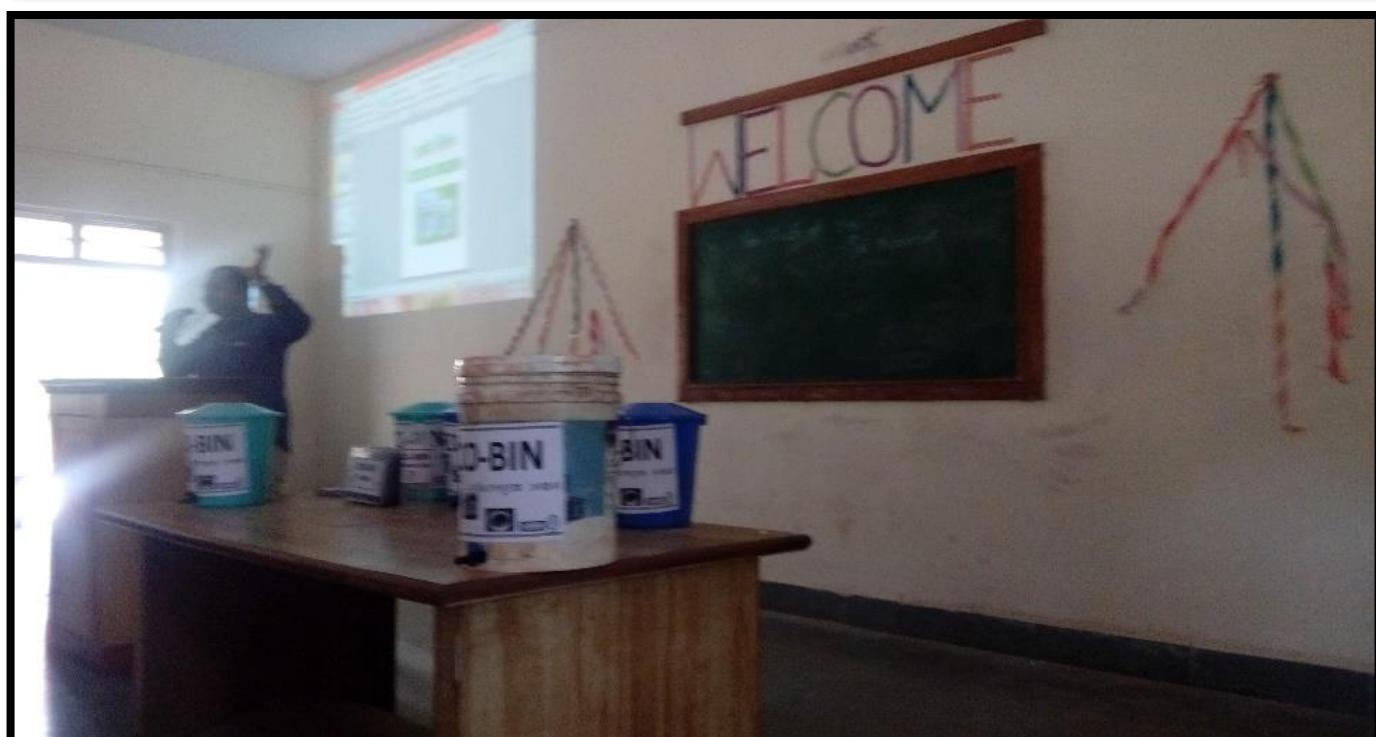

Poster Presentation reviewing by staff and students

Eco-bin activity

On 13 February 2017 Eco-bin activity was carried out in the college for the students and staff of the college. This activity was organized in the science subject. Prof. Ghadge A.B. explained the importance of Eco-bin. He demonstrated the preparation of material required for eco-bin and process of eco-bin.

Eco- bin Activity

On the occasion of NSS foundation day various activities were organized for the NSS volunteers in the college campus on 24 september 2018. Some activities were arranged for the girl students of Jijamata Kanya Prashala, Akluj. Information about ecological bin (Eco Bin) was given to the students with the help of demonstration to create awareness about dry and wet garbage.

Presentation on Swacchha Bharat

On 23-08-2017 the short films on swacchha Bharat were presented for the NSS volunteers by NSS programme officer Prof. Nimbhorkar R.R. and Prof. Ghadge A.B.

Poster making competition

Poster making competition was arranged by the NSS department on 14-08-2018. The subject for competition was **Environment conservation**.

Dnyanvardhini activity : Display of articles on environmental issues

Science Department had started an activity called 'Dnyanvardhini' on 14th August, 2018 in which students would display any information regarding science & technology and environmental issues. This was a sort of wall paper display.

All the students of First Year B.Sc. Home Science actively participated in this activity. The first wall poster was inaugurated by Dr.

Hydroponics Activity

On 28-02-2020 National Science Day was celebrated. On this occasion information about hydroponics farming was given to the girl students of Jijamata Kanya Prashala, Akluj.
