II. Teachers and Students

Teachers should:

- i. Respect the rights and dignity of the student in expressing his/her opinion;
- ii. Deal justly and impartially with students regardless of their religion, cast gender, political, economic, social and physical characteristics;
- iii. Recognize the difference in aptitude and capabilities among students and strive to meet their individual needs;
- iv. Encourage students to improve their attainments, develop their personalities and at the same time contribute to community welfare;
- v. Inculcate among students scientific temper, spirit of inquiry and ideals of democracy, patriotism, social justice, environmental protection and peace;
- vi. Treat the students with dignity and not behave in a vindictive manner towards any of them for any reason;
- vii. Pay attention to only the attainment of the student in the assessment of merit;
- viii. Make themselves available to the students even beyond their class hours and help and guide students without any remuneration or reward;
- ix. Aid students to develop an understanding of our national heritage and national goals; and
- x. Refrain from inciting students against other students, colleagues or administration.

III. Teachers and Colleagues

Teachers should:

- i. Treat other members of the profession in the same manner as they themselves wish to be treated;
- ii. Speak respectfully of other teachers and render assistance for professional betterment;
- iii. Refrain from making unsubstantiated allegations against colleagues to higher authorities; and
- iv. Refrain from allowing considerations of caste, creed, religion, race or sex in their professional endeavor.
