On the occasion of National Science Day on 28th Feb, 2022, a workshop was organized for all students and staff. The theme of the workshop was Integrated Approach in Science and Technology for a sustainable future. This theme was selected as per the theme provided by Government of India for National Science Day this year.

Online and offline presentation on some of the environmental problems was given at first.

A demonstration on how to prepare 'Jivmrut' at home was shown. The composition and significance of each component was told.

Secondly, plantation pots were prepared from the used flex banner sheets. This effort can be a good solution to the problems caused due to non-bio-degradable flex boards.

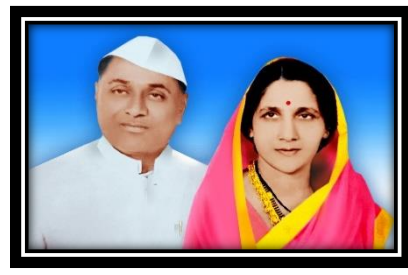

All the students and staff participated in making of 'Jivamrut' and plantation pots in this workshop.

Outcome: Students understood the environmental problems of pollution and learnt the simple household remedies to tackle such problems.

A vegetable garden can be prepared using 'Jivamrut' and pots made of flex banner sheets.
