DEPARTMENT OF SCIENCE

Month	Activity	Details
July, 2016	Orientation to Science Department :	Orientation program was conducted for first year students in the first week of July. Students were introduced to the laboratory and subjects to be learned by them. students visited the laboratory and interacted with the faculty.
	World Population Day :	World Population Day was celebrated on 11 th July, 2016. Activity of Elocution Competition was conducted for First Year students. Students prepared on different topics related to Population and presented orally in the class.
	Blood Group and Haemoglobin estimation Camp:	It was conducted for the first year students in which the demonstrations were given to students and techniques were taught. The data of this activity was recorded and analysed.
August, 2016	Medicine Collection :	As a part of their academic assignment, first year students collected the unused medicines from their houses and vicinity. All these medicines were scanned for manufacturing & expiry dates, batch numbers and contents. Students learned how to read the prescription, medical reports and proper use of medicines.
	Poster Presentation :	The activity was conducted in which students collected various news related to environmental issues from different news papers and prepared the poster thereof. The news from local to global level were chosen and they were pasted on the posters artistically
SEPTEBER	Study Tour: Visit to Water Purification Plant at Vizori	This activity was conducted under the subject ENVIRONMENTAL STUDIES. Students visited the water purification plant at Vizori, Akluj Tal-Malshiras. They studied how the water from a lake is purified scientifically at the plant and what are the processes applied therein.
	SEEDS COLLECTION and PLANTATION :	Students of First year collected the seeds of different plant varieties from their homes and all the collected

		seeds were plunged in seed balls. These seed balls were then thrown in the vicinity of a lake at Vizori. This was an attempt of nature conservation through which students learned the significance of conservation of gene bank of varieties of plants.
JAN, 2017	WORKSHOP: KITCHEN WASTE MANAGEMENT	Workshop was conducted for college students and staff under the subject INTERNSHIP. An interactive workshop was conducted in which the participants learned how to make Bokashi powder and EM solution. ECOBIN Concept was introduced to all in which all the kitchen wastes can be composted and a good quality manure can be prepared. Few such ECOBINS were gifted to the college faculty.
FEB, 2017	STUDY VISIT : Visit to SERICULTURE PLANT	A STUDY VISIT WAS CONDUCTED FOR First Year students to A Sericulture plant at Shikshan Prasarak Mandal's Ratnai College of Agriculture, Anandnagar, Akhuj. Cultivation of Mullberry plants and rearing of silkworms was studied by students. Students learned the significance of sericulture as one of the option of entrepreneurship which will help them in future to start an agro-based activity as a career option.
	QUIZ COMPETITION : SCIENCE DAY CELEBRATIONS	Quiz competition was conducted for all students in which audio-visual clips were used as questions. In addition to this, questions on science, technology, environment, social sciences, history etc. were asked. It was an effort to create awareness among the students.
March, 2017	SOFT SKILLS DEVELOPMENT : MAKING OF ADVERTISEMENT	S.Y.B.Sc. students studying SOFT SKILLS DEVELOPMENT as one of the subjects were given a job in groups to create an innovative theme of advertisement. Students creatively participated in the activity and five groups performed in the act of advertisement. Innovative ideas were used by students and the winners were felicitated with prizes.
	SOFT SKILLS DEVELOPMENT : MOCK INTERVIEWS	S.Y.B.Sc. students participated in the activity of Mock Interview. Students prepared their own RESUME in the given format and attended the interview. Mr. Ghadge A.B. , Dr. Surve R.N. and Mr. Kore K.K. were on the interview panel.
